

3410 SW Market St, Lee's Summit, MO 64082

Vaccinate Before You Graduate!

Did you know?

Wal-Mart pharmacists can provide school-required vaccinations for ages 12 and older, no appointment necessary.

When can I get my vaccination?

Wal-Mart pharmacies provide vaccinations daily during normal business hours. There is no appointment needed.

Who gives the vaccination?

Our pharmacists! All of our pharmacists are nationally certified to give immunizations.

What vaccination must high school students receive?

-A second dose of meningococcal vaccine is required after the age of 16, but before 12th grade unless the first dose was administered after the age of 16.

-Meningitis protection is also required for college or military bound students who will be living in the dorms and/or barracks.

-**This vaccine can be given at your local Walmart pharmacy without an appointment and possibly at no cost to you!**

Call us at (816) 623-3274 with any questions! We look forward to helping your students live healthier lives.
