### **Board of Education Press Release – March 3, 2017**

#### **Deputy Superintendent Named**

Dr. Steven Meyers has been approved by the Pleasant Hill R-III Board of Education to serve as Deputy Superintendent for the 2017-2018 school year. He will begin on July 1, 2017 and take the leadership role in community relations, goal setting, facility planning, curriculum development, Board communications, and personnel. Initial plans are for the deputy superintendent position to be eliminated in 2018-19 as Dr. Meyers moves to become the new superintendent.

Dr. Meyers has seventeen years of administrative experience as a High School Principal, Director of Facilities, Executive Director of Operations in addition to four years of teaching experience as a business teacher. He is currently in his fourth year as the Executive Director of Operations for the Hickman Mills School District. Dr. Meyers has an undergraduate degree in Business Administration from Baker University and an Educational Specialist and Educational Doctorate from Saint Louis University. He and his wife, Barb, have three grown children, and are looking forward to becoming part of the Pleasant Hill community.
